

REMARKS

1. Summary of Examiner's Amendment

In the Notice of Allowability mailed May 20, 2005, the Examiner, by Examiner's Amendment under M.P.E.P. § 606.01, changed the title of the invention to "SYSTEM AND METHOD FOR DISTRIBUTING A SINGLE MULTICAST MULTI-PROGRAM AUDIO STREAM OVER A NETWORK." (Emphasis added).

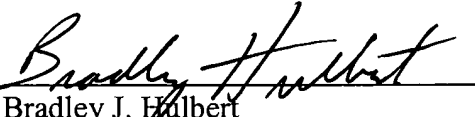

2. Notice of Allowance

The Notice of Allowance and Fee(s) Due Form, form PTOL-85, lists the title of invention as "SYSTEM AND METHOD FOR DISTRIBUTING A SINGLE MULTICASE MULTI-PROGRAM AUDIO STREAM OVER A NETWORK." (Emphasis added). Thus, the Notice of Allowance and Fee(s) Due Form includes typographical errors. Applicants respectfully request that title of the invention properly be recorded as "SYSTEM AND METHOD FOR DISTRIBUTING A SINGLE MULTICAST MULTI-PROGRAM AUDIO STREAM OVER A NETWORK," as amended by the Examiner. (Emphasis added).

If the Examiner would like to discuss this case, the Examiner is encouraged to contact the undersigned at (312) 913-2122.

Respectfully submitted,
